“ Miss Ann was a fine lady, and I am proud to have known her. I'm sure that she will be sorely missed, but we have that blessed assurance that we will see her again with Jesus.

K,

“ Miss Ann was our friend, gardening partner, and my next door neighbor. She had a sparkle in her like no one i had ever meet. The first day i looked at the house next to hers she came over and told me that i was going to buy it. She said she had already talked to him speaking of the Lord. I said to her if you have talked to him its a done deal. From that day forward its was the most wonderful time of my family's life. Everyone that came to Alvaton said this is a magical place. It wasn't magic it was the blessing that poured out from Miss Ann.  
We always left our back door unlocked so she could come in. I can still here her saying Hey as she came in and she always had some goodness from her kitchen. We miss those wonderful times with her and her family.  
We will be her neighbor again one day and hope its right next door.

“ Ann was a wonderful friend and neighbor to my mother, Lena Rowe. My mother was basically homebound and Ann would visit her every week, sometimes twice a week. My mother would look so forward to her visits and friendship. We all loved Ann and sometimes she would make the visit better, because she would bring some homemade goodies, that were always greatly appreciated. Ann was one of a kind and we all loved her so much. ❤️ Bud and Susan your mother was a special lady and i know you will miss her so much. Heaven has gained an Angel.
