“ Barbara, Alice, Drew, & Family - May God graciously bless each of you family members in this time of loss and the days to come. I, as with you, have so many fond memories of Aunt Ann. As a little girl, I remember her in her starched stark white uniform, white hose & white shoes...make-up, hair, & nails polished & perfectly done, & that huge John Romaine pocketbook! I also remember the joy she gave me when she would take me home to spend the night with Barbara - knowing that they would be bringing me back home as soon as the sun went down! Then, as an adult, I remember the love & compassion she always showed her siblings and us, her nieces. She & Fount were such wonderful hosts to Mother & JB when they would come to visit in Palatka - her love of family was evident through her many kind and generous gestures over the years - and, you Barbara, have that same quality of love for family and friends. To you, Barbara.....I love you and admire you for your strength and dedication to Aunt Ann. She loved you & your family with all her heart! I pray that each of you will feel the presence of God as you grieve the loss of Aunt Ann. Thank God you have the comfort of knowing that she is with our heavenly father and once again united with Fount. Please know I am just a phone call away if you need me.....In Christian love & respect for the precious memories that we all share of Aunt Ann!

“ Mimi and Alice, Although I was never blessed enough to meet Ann in person, her picture personifies the true Southern woman and the stories you have share only add to this. She will be watching over all of you from above. What a rich family heritage she has left to you. You both are in my prayers as you find your peace. All our love, Vanessa and Roger Campbell

“ Aunt Ann was a lovely lady and we all loved her. She was funny and kind and I will never forget her. She was always dressed beautifully with her hair up in a french twist. She is the little sister of a large family. When I heard of her passing, I could just imagine her entering heaven and seeing Mama Williams and Papa Williams and all of her siblings who have gone on, and of course her love, Fount. I know that she is at peace and is so happy and not hurting anymore. I'm thankful to have known Aunt Ann and I want Barbara to know that I love her, too. She took such good care of Aunt Ann and I admire her so. Love Always, Laura
