“ *We have been out-of-town and I was so shocked to read of Ann's passing this morning. Please accept our sincerest condolences, Bruce. Ann was a very sweet and wonderful person. We, of course, knew her through her work with the school system. I remember when we would talk, she always expressed such love for her children and grandchildren. I am so very sorry for your loss and am sending prayers of comfort in this terrible time of grief. She will surely be missed.*

“ I remember Ann as a majorette with my sister Lenn, but I mostly cherish the memories of working with her within our school system. She was always so kind and helpful. The Elrod family has always felt like almost part of our Bohannon extended family. Many years of great memories within our church family as well. Our thoughts are with all of you.
