“ *My dear friend...I will so miss your smile, your voice and your phone calls. I am truly sorry the world will never be able to benefit from all the potential you had locked up inside your brilliant brain. You were unique and valuable, and I'm sorry you didn't have enough time to realize those qualities. I was your teacher when you were young and your friend as you got older. You pushed me to be a better teacher, and I enjoyed being your friend. I will miss you, but I know we will meet again in a place filled with peace, love, and acceptance.*
