I am deeply saddened to hear of Ben's death. I was honored to have worked with Ben at The Medical Center. Working in EMS can be extremely stressful, but whether Ben was working on the ambulance or dispatching, he was always soft spoken, kind, and gentle. Ben had a dry sense of humor and every once in awhile he would crack a joke and if you weren't paying attention, it would go right over your head because he always maintained that stoic look on his face. I admired Ben's dedication and professionalism. In EMS circles, Ben was affectionately known as "Papa Bear" because of his fatherly presence. I sincerely pray that Ben's family is comforted by God's Grace. My Deepest Condolences.

“ Dearest Joanna,

So many years have passed since we've spoken and I am further saddened that it is at this moment I am reaching out to express how much you and Ben meant to me and how much I respected and admired you both back in those 70's days in the MCCG ER.

I remember Ben being passionate about his work and compassionate in its performance. Both of you were so instrumental in the the incredible transition that happened during that period of time from an Emergency Room and Ambulance Service to a modern Emergency Department and EMS.

Words seem to fail at times like this but my prayer for you is for peace and strength for each day. Sending love and hugs and gratitude that I was able to call Ben Friend.

“ Dear Joanna,
I just heard from Leon yesterday and read of Ben's passing in the paper today. I just want you to know how much I thought of Ben and do think of you. All the progress MCCG made over the years was made possible by the dedication of folks like you both and the can-do attitude of MCCG EMS and the EC. I have more fond memories than you can shake a stick at, and wouldn't trade the trials, tribulations, AND THE JOURNEY with good friends like you for anything.

Ben was a great guy, and we all will miss knowing he is around us here, but I do strongly believe he is in a very special place, away from the trials of this world. I pray for peace for you as you work your way through the days, weeks and months ahead. I know you have the support of many because of the lives you both touched over all the years. I know you made my life better from having known you as my friends.

“ My fondest memory of Ben L was in Burkburnett. The two sisters; Gracie and Josephine were seeing each other for the last time. They were each in their wheelchairs, holding each other's hand. Ben L, David and I watched them happily/sadly. It was a very poignant moment. When it came time to go; Ben L and David together very carefully lifted each of them down the front steps in their wheelchairs. Ben L was a very loving man and he will be missed but always in our hearts!❤️
