“ Suzanne and family: We are so sorry for your loss, and pray that you will find comfort knowing that your mother is doing quite well now. Suzanne, I read one of the earlier posts which references your mother giving flowers for someone to plant in the yard, and it so reminds me of you! I have flowers in my yard that you have given to me. Like mother , like daughter. How sweet!

“ Richard and family, I am sorry to hear of the passing of Betty. I remember when I first moved here she gave me some flowers to plant in my yard and moved them with me when I moved to Mapledale Trl. Each spring when they bloom I would think of her, I have shared them with many as she shared them with me. Her memory will live on in my garden. Ellen Caccese
