“ Janie and Barbara, I understand what you are going through and how hard it has been to lose your mom since I lost mine in 2008. Our moms were friends growing up and remained friends until their declining health no longer allowed them to continue their visits and phone conversations. Both of you and your families are in my thoughts and prayers. Debra Bowlden (Lurline Kimbrell Bowlden's daughter)

“ Dear Barb and Janie, Although I never met your mom, I feel I know her. Love and caring are modeled through behavior. Knowing how supportive and caring you both were to your mom, through extension, I can imagine how she cared for you through the years. My sincere sympathy for your loss. Sincerely,
