“ *Miss Betty, as I knew her, always seemed to be pleasant and joyful. She talked of her garden and putting up vegetables, of the plants she had around the house and of her grandchildren and children. I hadn't known her very long, 3 maybe 4 years, But we will miss her! We are praying for her family as they go through this very difficult time. You never get over a loss. You just learn to live with the hope that you'll see them again in heaven.*
