“ I had mixed feelings when I heard of Betty's death. I was sorry and thought of our days together in the VOE choir and how much I enjoyed her as a person, but I was glad when I knew she had been released from her illness. I know first hand the difficulties for all the family with her illness and praise God He released her to a better life with Him. May He give you peace and joy as you remember the fun and funny things from Betty's life. I love you. Ellie

“ Clarence, Mike, Chuck, Pam and Jeff,
Sorry to hear bout Betty's death. Even though I haven't seen y'all in years I remember what a great time we had when we were all together at the Carroll's. Speak her name often to keep her memories alive.

Love to everyone,

“ To you Clarence and to your entire family, I send my condolences. I think that I met your Betty for the first time when you were in Piedmont Hospital a couple of years ago. I enjoyed talking with both of you. Please take comfort in the fact that she is in a much better place now. God bless you and your family as you grieve Betty's loss.

Betty and I worked at the downtown C&S Bank back in the 80's. We always had a lot of laughs and she and her husband become friends. She was a wonderful, caring and lovely woman who will be missed by many. So many good memories to have of her. So sorry to hear of her passing. Love and hugs to the family. Bill Whipple.....
