“ I was very sad to hear of Carl's passing. I remember for a number of years running Bruce, Carl and I went down to the rifle matches in Quantico. Hanging out with Carl after the matches was always enjoyable as his quick wit kept you on your toes, but it was matched with his kind and generous heart.

“ It is with deep sorrow and sadness to learn of my good friend Carl's passing. I met Carl in Alaska in 1984. He worked for me as the NCOIC of my Armament Shop at Ft Wainwright. He was a weapons expert. He also was an FFL which came in handy should you need something. We had some great times hunting, fishing and just drinking a ton of "Silver Bullets". Nothing but good times and memories. I'm going to miss him. Rest in peace buddy. My heartfelt sympathy and condolences go to his wife Karen, and his family.

“ It is with profound sadness that I learn about Carl's passing. I spent many hours as a new police officer talking with him at the old gun shop, and we recently kept in touch via Facebook. My prayers and thoughts go out to Karen and Carl's friends and family.

“ *We used to use the Hogan's heroes SGT Schultz HOOOOOGAAAAN all the time. I remember Carl coming back from the first Gulf War dressed as an Arab. We literally did not know who he was until he spoke to us. I watched as he snapped to attention when the Major General in charge of Walter Reed came into the gun store. Carl looked over at me and said " I don't have to do that sh** anymore". We both laughed. Rest well my brother. Say hello to Ron, and Neal in the great beyond for me. You deserved more time here.*
