“ *You were such a sweet woman. You always smiled despite what was going on every time I saw you. You were so grateful for everything I did for you. Lord rest your soul.*

“ *When I first met you it was in Atlanta not long after you and Dan got married. I liked you from the moment we first met. We were not able to get together very many times due to distance, work and raising a family, but the times we did I really enjoyed. I never thought of you as a sister-in-law but as a sister. I will miss you.*

“ We are thankful for the fellowship our family shared with Carol, Dan, Melanie, Joy and Kelly when we lived in Newnan. Our love and prayers are with you, Dear Ones.

Carol always reflected Christ in her walk and talk. She carried the Light into the darkest places, boldly witnessed for Christ and enabled others to do the same.

Thank God for the little woman who stood boldly for the lives of unborn children and their mothers. We all could, but Carol did.

“ Our families were close during the elementary years at First Baptist Church. If Kelly didn't come home with us, Katie went home with you all. She loved Carol's Beignets. New Orleans had nothing on her. I loved the times we worked together in the Pregnancy Center. She saved the lives of many babies. I know you as a family will miss her desperately, but she has reached her goal and is in no pain. She is not lost. You know where she is and will join her one day.
