“ I lived in the neighborhood with Casey when he lived in Pensacola , Florida and worked for the Escambia County Sheriff’s Department. I took care of their daughter as her RN when she was born. After they moved to Clearwater I spoke with him occasionally and had an opportunity to see him briefly while I was in Clearwater. I noticed some years back that birthday wishes and messenger texts were going unanswered. I honestly NEVER dreamed there would be anything other than his and Chloe’s life heading in a happy direction. I’m so saddened by this and caught off guard. I’m so sorry to all of the Martin family. I too have buried a son. My heart is broken! Please contact me at your earliest convenience. I want to speak to SOMEONE/ANYONE!

“ Brinda,

My heart goes out to you and your family for the death of your handsome son Casey. He was not only a wonderful man who served his country but I am sure a loving son, brother, husband, and father, Uncle, and friend. Your family is in my thoughts and prayers. I may have never known him, but if he was anything like his Mother, he was a Godly, giving person who loved to help others.

In sympathy,

“ May Casey's memory stay strong in your hearts and minds. He will be missed by everyone that knew him, God has gained one special angel. I am honored to say I was his friend for almost 30 years! Every time he crosses my mind I remember Garth Brooks' song "The Dance"....".....And now I'm glad I didn't know The way it all would end the way it all would go, Our lives are better left to chance I could have missed the pain But I'd have had to miss the dance" RIP Casey (*1)

“ We've all had to endure the sorrow of losing a loved one in death. What helped me the most was prayer and faith in God's promises like found here at Isaiah 25: 8 and it tells us: "He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces." “ *Casey will always be missed but the memories will always be with me. What a great man. I have fond memories of Casey coming to my house with his Marine buddies from Camp Dave almost every weekend. They loved to go down to the beach and repel off the cliffs. Love Grandpa Dave*
