“ Teresa, I am saddened to hear of your mother's death. There is no greater pain than giving up the one who has been there for you through life's ups and downs. I lost my mother this year, too. It seems as though we are in that season of our lives; so many of my friends have lost a parent recently. I will be thinking of you and your family and praying that God will bless you as you go through these difficult times.

“ Teresa, I am sorry for your loss. I always thought a great deal of Clidie. I talked with her within the last 3-4 months when she called about Mother. She was a really exceptional person and lovely, Christian lady. Betty Dickinson called me after receiving your call. I left it up to Peggy about telling Mother. She is living with Peggy now. Since she is in the last stage of Alzheimer's Disease, we are not sure how it will affect her. Her memory comes and goes. She loved Clidie. May God bless you and increase your strength during this time of loss. I love you. --Nancy Pilgrim Moody

“ Dear Teresa & Andy, I was so sorry to hear about Clidie. We spoke maybe 3 weeks ago and Mama also had a chance to speak to her. Mama has been staying with me due to her health issues which I explained to Clidie. I have only good memories of her. It's like a part of my childhood has passed on. If there is anything I can do, please do not hesitate to call. 770-949-4050
