“ . Colleth will be greatly missed. She was the happiest and most delightful person I know. Even when Colleth was sick and in the Hospital, she had a smile on her face, never complained and treated visitors as if they were in her home not at the hospital by making them feel comfortable... I found Colleth to be an AWSOME person in sickness and in health.

Please know that in God's love there is a place for grief and a promise of peace. We are praying that God's love will comfort you and reminding you that you are not alone.

We hope you will draw strength from knowing that God watches over you and your friends care a lot about you... Remember memories are forever.

“ I'm so sorry for the loss of my dear friend. It's never easy to lose a loved one, especially a close relative. My sincere condolences to the family. May the good Lord provide us all with the strength and comfort necessary to pull through during this difficult time. I won't say goodbye to my dear beautiful friend. I will remember her million dollar smile and her infectious laughter. Yes, these things I will remember.

I would like to dedicate this song by Kenny Loggins " Celebrate Me Home" Everyone please listen to this song in Loving memory of my dear friend.

"May you always walk in sunshine, and God's love around you flow, for the happiness you gave us, no one will ever know. It broke our heart to lose you, But you did not go alone, a part of us went with you, The day God called you home. A million times we needed you, a million times we've cried, If love could have saved you, you never would have never died"

“ *When I die
If you need to weep
Cry for someone
Walking the street beside you.
You can love me most by letting
Hands touch hands, and
Souls touch souls.
You can love me most by
Sharing your Simchas goodness and
Multiplying your acts of kindness
You can love me most by
Letting me live in your eyes
And not on your mind.
And when you say
Prayers for me
Remember what our
Bible teaches,
Love doesn't die
People do.
So when all that's left of me is love
Give me away.*

May her memory be for a blessing

“ Colleth, we were such good friends growing up. We would go shopping and parties we did what kids did to have fun. You were so kind and loving no matter what. I remember when your baby brother came along and we, you me and Sonia would have to babysit Oh you loved him so. We did it together we were thick as thieves. I want you to know that although we lost touch over the years you were always in my thoughts. I wish I knew that you were sick I would have been there for you. I know that you found the love of your life and that you were happy, I have my memories of us that I will cherish forever. I feel so sick to know that you are no longer here with us but I do know that you are with the angels. They will be enjoying that beautiful smile that we will be missing. I will always Love you my beautiful friend. Until we meet again.

“ To Andrew and Family,

Proverbs 18;24But there is a friend who sticks closer than a brother.

Colleth thank you for sticking with me as a friend over the years. You will truly be missed. I used your name to try and express the beautiful woman that you were.

*C hrist like, cheerful, always with a smile
O vercomer, fighter, you went the extra mile
L oving and caring for your husband, family and friends
L iving life and letting God use you, even to the end
E xceptional, an example of how we should be
T rustworthy, honest and now you are free
H onorable, you were adorable, but with Christ you will now be
your memories I will never forget, they live on in me.*

“ I met Colleth August 2015, when I visited her with Jackie and her niece Ashley. They were visiting me in Atlanta. She was such a beautiful person, both inside and out. She welcomed me like she knew me all her life. She had this contagious smile that it was easy to be drawn to her. She never let her illness steal her joy. I could tell that she was an amazing wife and mother who loved the Lord. She left a positive impacting my life for the couple hours I spent with her. I know she is a great loss to the family but she earned her wings in Heaven. Her absence on this earth means that she is now present with Jesus. Andrew I met you years ago when you and Nicki lived in Jamaica. Please accept my sincere condolences both to you and the rest of your family.

“ **Andrew & family**
I met you at the plant many years ago. I never had the chance to meet Colleth in person.
But working with you, with your good work making my work better, teaches me now that Colleth was someone good I knew because I knew that in you.
I've been learning some new things since my wife Carolyn left this life a few years ago. I expect that you will find your own way soon to accept that you are still her, and she is you, and that is pretty much the way it is supposed to be, forever.

“ It was an honor to have met Colleth Dennis. The strength God blessed her with through her trials was a true inspiration. I saw her as a modern day miracle. My prayers go out to Andrew, her children and her family. She is healed now and I hope the light she "Let So Shine" will shine through each of you. God Bless!

“ Colleth, I loved you for 26 years we committed to each to be husband & wife, to have and to hold, from this day forward, for better, for worse, for richer, for poorer, in sickness and in health, until death do us part.

Colleth your life was one exceptional display of strength, love, joy, courage, brevity. Everyone who knew you was immensely blessed by the smile on your face even during the most trying of times. Some how you would always rise above your own distress and care about others.

Our time together has ended and as the sun set on your earthly life you transitioned into the loving hands of our Lord & Savior Jesus Christ. I thank God for the many years we had and I am honored to have been your husband. I've loved you and I did everything I knew possible to support you and enhance our lives together. You brought so much joy to our lives and everyone around you.

Your smile and laughter is etched in my heart.

Your love for me and our family I will never forget.

Love always, Andrew
