This is absolutely beautiful! I never met Donna. Mike's daughters are my 2nd cousins. Through him I grew to know Donna. She sounds like a very lovely lady and I know she made Mike very happy. My heart goes out to all of Donna's family and friends. She is with God now and no longer in pain. You are all in my thoughts and prayers. God bless!

“ Donna Lynne (yes, with an 'e' because that's how I always annoyed you!), I've been up half the night recalling years and years of memories with you. From you telling me stories about me being the first baby you really held all the way to you being the best friend I needed to get me transitioned from high school to college and beyond ... lots and lots of memories. You are the one that taught me to drive on the interstate with my legs tucked under me and cruise control handling the rest. I bet im still the pnly person that was,lulled to sleep by your teeth grinding!! You encouraged me to use my gifts with music and my artsy flare by playing the piano and asking me to sing and by hiring me to wrap your Christmas gifts several years. I always met your boyfriends. I never liked them, but I tried bc even if for a little while they made you happy. I made you sooooo mad sometimes ... and you made me soooo mad right back. But we loved eachother like sisters and best friends for years. You recommended me for my first real office job and consequently set me up on several dates from the same office! You made me feel like my brain worked as well if not better than most others. You made me feel valued, cared for, loved, wanted, needed, and helpful. Our love for animals ... stuffed and real ... was always common ground. Our faith in a loving God ... despite the obstacles thrown in our paths ... always sustained us. And when there was nothing left to say or do ... there was always a JOURNEY song to sing at the top of our lungs! I love you. I'll miss you. I'll think of you often and can't wait to see you, again. By the way, i know Aunt Betty and Grammie are probably already having you play the piano for them ...

“ *My love, our time together was cut short. I love you and miss you terribly. Keep my spot beside you and I will be joining you in the ever after. I will never forget your unending love for the fur babies and myself. You had a heart of gold that can never be replaced in this or any other lifetime. May God keep you and surround you with His love.*
