“ Lawson and Liz - We are sorry for you loss. God looked around His garden and He found an empty place. He then looked down upon this earth, and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, He always takes the best. He knew that you were suffering, He knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb So He closed your weary eyelids, and whispered, Peace be thine. It broke our hearts to lose you but you didn't go alone, For part of us went with you the day God called you home. Love you both

“ Lawson, please know that we are praying for you and your family from the loss of your mother. Aunt Dot was one of my favorites and Carolyn and I thought the world of her. I know she is in a better place and is looking down on us with a loving heart. I'm sorry we can't make the memorial service. James and Carolyn
