“ *I am very sorry and sad to hear that Eddie is gone. I went to Newnan High with him and he helped me very much when I started my business in the early eighties. He was a great man and friend to me and I could always depend on him when he worked at the Bank. I think of him every time I walk into that bank and the place has never been the same after he left. I will never forget his friendship.*

“ What a shock to read of Eddie's passing! He was my student in freshman English class at Newnan High School in the early 1960's and was always so kind and personable. In later years when I would see him, he still exhibited that wonderful personality and wonderful smile. He will be missed. May your memories be a comfort.
