“ *I write this on behalf of all the ladies in the Master's Daughters Sunday School Class at Heatherwood Baptist Church - and for myself - where we were so blessed to have Diane as a class member and a fellow Sister-in-Christ!*

We are so sorry for your loss and we share in it with you. She will surely be missed in Class. She was pretty quiet but her sweet spirit was so evident. She enjoyed coming to SS and it was our gift to get to know her and her heart for the Lord. When she needed a ride to attend something Sunday School or church-related, Diane was always ready before time. You never had to wait on her. We also know that she was a faithful giver to her Church and SS and participated in everything that she was physically able to do at the given time.

We so enjoyed getting to know her and will look forward to seeing her again in God's time. I've just been trying to imagine her joy when she passed from this life and woke up in the presence of our Lord!!! Praise God for His assurance of eternal life with Him for those who are His, like sweet Diane!!
