“ Kenneth, was so sorry to hear about the death of your mom. I don't get the paper and did not get the news about her death until after the service. May God comfort you and your family in your loss and be with you in the days and months ahead. Will keep you in my thoughts and prayers.

“ It's heartbreaking that I won't get to see your smile and hear your voice again. You will always hold a special place in my heart. I'm thankful for the memories and all the visits through the years. First Christian won't be the same without you.

“ Miss Elizabeth was one of the most devoted members of First Christian Church and until her health began to decline, could always be found in her usual spot on the 3rd row. We made many trips with the seniors of our church in past years and have so many memories of Miss Elizabeth. I got to visit with her a few weeks ago and we reminisced about those trips and shared a lot of laughs. I asked her if I could make our picture together and she was thrilled for me to do so. She will be missed but we have the hope and promise of seeing her again one day.
