“Dana & Troy, I just saw that your mother passed away last year. I am so very sorry for your loss! Your mom was such an awesome person and I really adored her! I'm so sorry I lost touch with the two of you. Please feel free to get in touch with me if you like. I hope all is well with you both. Again, I am so very sorry for the loss of your mother and that I did not know about it sooner! Renee

“Family Members: Sister Anderson was a faithful sister. She always had a positive attitude despite her health conditions, I look forward to the resurrection when she will be well again and able to share her wealth of knowledge with me. Please know that all of you are in my prayers.
