“ *I will always remember the "Two" as we shared together several church sponsored events. Chuch was a "kick" while Flow was the "stabelizer" that kept us on the right track. Flo was absolutely one of the "witnesses for Jesus" as she lived her life seeking to honor Jesus in every way she could. She and Chuch will be missed but heaven has gained. To God be the glory for ever and ever.*

“ *I only met Flo this summer when my mother moved into Benton House. Mom and Flo sat at the same table for meals. When I was visiting, I would always talk with Flo. We shared our love of dogs with each other. I remember her telling me about Boo Boo. Even though I only just met Flo, I could tell she had the sweetest soul. I wish I had known her longer. My condolences to the family.*

“ Mrs. Flo was absolutely one of the sweetest ladies I have ever met. My husband Jon and I attended church with her at Sharpsburg Baptist and her and Mr. Chuck both were always so good to our family. She had the most genuine spirit and loved the children. She loved to see our little girl after she was born. I’m saddened by her passing that such a beautiful soul has left this earth, but thrilled to know she is reunited with Mr. Chuck again and in the presence of her sweet Lord.

“ Flo was one of the sweetest and kindest people I have ever met. She and Chuck were some of the first people I met when I started going to Sharpsburg Baptist. They shared their love of God with everyone and touched more people in their time on this earth than they will ever know. I know she missed Chuck terribly since his passing and is at peace now with him and the Lord. She will be missed greatly, as is he, but our hearts can take comfort in the fact that she is home and care free. We love you Ms Flo and you will always be in our hearts!
