“ Bill, I'm very sorry for your loss. I remember the times we would go out to the house and check the space heater for her and your dad. It was funny listening to them converse back and forth. They are together now. She always had a smile, may she rest in peace.

“ I didn't know you personally but knew you through your daughter Elaine. Elaine was a very dear friend of mine that I miss a lot. I know you are with her now & you are at peace. I wish I could have gotten up that way to meet you.

“ My beloved Aunt Elise that I lovingly called "Granny". There are no words to express my love for you and now I celebrate you going home to be with Jesus. You have blessed me in more ways than there are words. Your love and kindness will forever be in my heart. The joy I felt each time I got to sit down with you and listen to your stories of the past just brightened my heart. It was like walking through the past with you as my guide. You will forever be missed. I know you are dancing in Heaven now. I love you. Till we meet again, Judy
