

Frank Andrew Ruttinger, Sr.

April 8, 1938 - November 12, 2013

Francis (Frank) A. Ruttinger Sr. born April 8, 1938 passed away on Tuesday, November 12, 2013.

He was married to his childhood sweetheart Barbara for 56 years. He was the loving father of seven sons and 2 daughters. Frank Jr. and Jennie, Frederick, Tina Ruttinger Shupe and Perry, Darrell, Randall and Julie, Teresa Ruttinger Gilbert, Douglas (deceased), Craig and Jane, and Scott. He was affectionately called Pappa by his 24 grandchildren and 6 great grandchildren.

Frank was granted a US patent on November 18, 1997 for his invention of a method and apparatus for forming a multi-layer perform. He was awarded the president award for Best Employment Involvement Team in 1998. He retired from Crown Cork and Seal as a Senior Project Engineer. He was avid about his woodworking, bird watching, gardening, hunting and fishing, and he loved his family.

“ My sincere condolences to the entire Ruttinger family. To me, Frank, was filled with stories of big ideas that were deeply based in science. They were greatly appreciated by me because - I had to really stretch my mind to realize their "profound simplicity" - all the story details lead up to something special interesting, entertaining, and also very meaningful. It is a great consolation to me, knowing the great legacy that he left his family. May God bless you always!
