“Ricky was my first grandchild. My favorite memories of him are when he was just a toddler. I was still a youngster and we kept him quite often. I remember dressing him up and parading him up and down Harvard Avenue in College Park. I put makeup on him, dressed him up and paraded him up and down the street for all the neighbors to see. I still see my daddy sitting on the swing on our front porch just smiling away at us. I'll never forget how proud I felt! Lots of memories along the way but this one always brings a smile on my face....

“Rick was one of the nicest, gentle people I have known. He was so proud of his daughters, and the most important thing was his family. Nancy, you were the love of his life. My prayers are with all of you during this difficult time.

“Howard was the kindest and most helpful person to my son and me when we all lived in Douglasville. It was an honor to know him and his sweet wife Nancy and he will be truly missed. Love to you all..Margaret Nichols

“ I am deeply saddened by the passing of my friend of 50 years, Howard "Rick" Allen. Funny, but I may be the only one among his family and friends that called him by his given name, and how that all got started I can't remember. But what I remember so vividly was what a loyal friend he was to me when we were young teenagers in high school. I'll never forget the basketball games we played in his driveway, or riding here and there in his cars. Sometimes we would be laughing so hard it's a miracle we didn't wreck. He was a genuine good person! May you rest in peace my friend, and may God bless your family in the days to come.
