“ *I'm so saddened to hear about Jimmy's passing. He painted for me for many years, and during that time became a good friend of mine. He was such a trustworthy, honest, loving, hardworking, man. I will miss him greatly-he was one in a million. I know Heaven is a little brighter now that Jimmy is up there-he always brightened everything he touched.. So glad he touched my life, I will always have a spot for Jimmy in my heart. Love, JJ Moody*

“ I am so sorry to hear that Jimmy lost his battle but I know he is in a better place now. Jimmy was the best of painters and I got to know him over the years through his work. My thoughts and prayers are with those he leaves behind. Sincerely, Frank Farmer

“ Dear Pam, I have mixed emotions at this point about the loss of Jimmy. Mixed in that I was saddened to learn of his untimely passing, but joy knowing exactly where he is now! I know without a margin of doubt that he is in Heaven with our Maker. In our last phone conversation, he shared with me his experience with the Lord and how He can make a difference in your life. It was as a result of that telephone conversation that I became closer to God and started to dig deeper into His Word! I thank Jimmy for that. I have many childhood, teen and adult memories of spending time with Jimmy and yourself in Arkansas and in Georgia. I always felt very blessed to have gotten to visit you two on several occasions in Newnan, when others did not have that opportunity. I enjoyed every visit too! I hope to see you and get to visit while I am at the the rodeo in Waycross the end of this month. We can sit and reminisce about the times we all had together. If there is anything I can do within my power Pam, you know I am only a phone call away. I will definitely keep you in my thoughts and prayers, as well as all others concerned that have been affected by the loss of Jimmy. Just remember - I love you and surely loved Jimmy!
