“ I will miss my friend til we meet again in Heaven. Butch worked for me as a Aux Officer in Senoia for a long time, there was nothing he would not help do. He loved Senoia and the people in it. He enjoyed working at Southern Mills. We had many a good time working side by side. Rest in peace my friend. My prayers are with the family.

“ Butch, Mary Ann, Jim and Glenda, Catherine and I enjoyed many good times together. eating at Frady's on Friday night or cooking steaks at Jim's on Saturday night. After Jim and Glenda's death the four of us continued to get together for meals. Mary Ann's death left Butch and I to go fishing a lot at Hutchinson's lake. It was catch and.release; no having to clean a mess of fish. When his cancer was diagnosed Dosey Morgan and I visited him in the hospital and then took turns carrying him for treatments. I visited him two weeks ago and he looked well. The only problem was he couldn't hear as his hearing aid was lost. I was waiting for him to get his hearing aid so I could go visit and talk with him. When I heard yesterday that he had died;I was dumbfounded. I never expected that.. Butch was the last of our close Senoia friends. He will be missed. . . ,
