“ *Sad to read that Mrs. Jean has passed! She was such a delight to talk to and she was so nice to everyone! We have a booth at the flea market right behind her house and every year she would load my wife up with plants, especially giant ferns, when it was time to take them inside! Her and Jasper used to come and sit and talk for hours about life! Mrs. Jean always helped us out at HR Block at tax time! We will see you again one day Mrs. Jean! God bless her family and friends! “ Oh how this hurts my heart. I grew up down the hill from Mrs. Jean and Mr. Jasper and knew David coming up as a child. Both Mrs. Jean and Mr. Jasper were a true staple of our neighborhood. I will miss taking walks and sometimes they would join in and seeing them both on their front porch. Always with a smile, laugh, hug, and bit of conversation to be shared. They were literally like neighborhood grandparents to some of us coming up. I take solace that they are both together now again and would like to send prayers, love and hugs to all the family. I will def miss her smiling face and the love she so freely shared with all.

“ I met Jean when I began babysitting Bill & Tim. She always treated me well. Then when I went to work at Playtex, I eventually became the cost accountant for the Molding Department where she was the supervisor. She was wonderful to her employees. She never asked one to do something she wouldn't do herself. It was a joy to know her as a true friend. She was fun to be around. Her smile was sunshine!
