“ Sue and Bim, I just saw the obit in the Newnan paper. I am so sorry for your loss and the pain that I know you are going through. Miss Jean and Pop were always so wonderful to me and I am going to miss them both. My heart bleeds for you both tonight. Please feel free to reach out to Leigh and I if you need anything (770-583-9932). I lost my son in Feb. last year and just buried my dad Jan. 26, 2012. “ Sue, Bim and Family, I am so sorry to hear about Ms. Jean. I know she is in a much better place. I will never forget when we first met in internal medicine at PAPP Clinic. She always told me she never understood the younger generation and sure never understood that computer. Every morning she would look for me to help her. She always said that computer was for the young people and not for old hands like her. And if she ever ate anything sweet she always was caught by Dr. B and then it was Jean O what are you doing??? and her reply was nothing as she slipped it into the desk drawer. All the memories I will never forget. I really loved Ms Jean and I will never forget her. May god be with each of you during this time of sorrow. Love to all, Michele Lee

“ To all of Mama Jean's family. She has known Beth and I since going to Dr. Owens as our dentist as kids. Our family also loved the attention she gave us when we went to Dr. Barron at PAPP. She always had a smile, and made you feel good. She is a lady who will be missed by the Newnan community. Love to all of you at this sad time. She was part of our extended family.
