“ When I first moved to Newnan and started work at Newnan Hospital, Jewell immediately took me under her wing and became not only my mentor but also my friend. My table sat next to her desk and she was so gracious in sharing information about all of the people and places to help me learn about living in Newnan. I loved hearing all of her stories about Newnan and her family - Doyle, Kirk, Valerie, Joyce and Slugger. One of my favorite stories was when she was pulled over for speeding on Jackson Street going into town. She told the policeman she did not have time for this and to take it up with her husband, got back in her car and went on her way! I loved this about her. I am so sorry we lost touch when they moved to Colorado. Our thoughts and prayers are with you all. Ginny and Dale Lyles
