“ I always respected Ms. Joan and her strength and ability to get things done. She stood up for the Community and was always a big voice. I was honored to work with her on the sell of her house that was so much a part of her life and where she raised her 3 boys.

“ I worked for 30-years at Bonnell, and many of those were with Roger, and through that, I got the pleasure of meeting Joan. I can't say enough about both of them, and what they meant to me, and all who knew them. What nice memories I have with them. Both are missed.

Joan was my Alta tennis partner and was my legislative aide during my last term in the Georgia House of Representatives. She was a friend and always had a humorous comment for most any occasion. She lightened up the tense moments and brought her laid back perspective to anyone who would listen! Keep going Joan! Miss you!

A precious human being! She was the coolest Aunt any person could ask for. I have so many fun happy memories of summers in Newnan and trips to Daytona beach with her and Uncle Roger and my 3 cousins - Chip, Pat and Matt! Magical times! I will miss her but I will never forget her.

“ *I met Joan when we both worked at Lorain Telephone Electronics. She was so friendly and outgoing, really a pleasure to be around. Later I worked at Bonnell and met Roger. I followed her struggle against the county commissioners over the water she purchased for her employees. I'm sure she was a wonder person to work for. Then she was a bailiff for a few years. Unfortunately we never met up again, but she was unforgettable. I am so sorry for your tremendous loss. May God rain down his healing blessings on you.*
