“ This is a belated correspondence, hearing only now of JoAnne's passing. I was one who recognized JoAnne's beauty early. I met JoAnne in the second grade at East Coweta School. For three years until the State's desegregation of public schools, her contribution to our friendship embodied kindness, innocence, selflessness, trust and joy. I experienced what the Lord intends friendship to be with JoAnne. I can remember spending time at the McKnight house with Ray, Carl, Alice and Margaret. And occasionally she could be found at our house. Even now, I recognize how unusual it was to have a girl over on Saturday, but it was always easy and comfortable for all. I have looked back to our friendship at other times when my life became more complicated or confused as a bellwether to what friendship is to be. I don't believe I ever saw JoAnne after my school-age years, so I never appreciated our friendship as I do today during our acquaintance. It is no surprise that I never expressed to JoAnne the gift of our friendship, but I rest in the hope that her experience was as much a blessing. So, McKnights and Underwoods, my warmest sympathy for your loss. You have been blessed to have such a sister, husband, mother and friend.

“ *Our youngest girl cousin, JoAnne McKnight Underwood, was famous in our family for her fabulous red hair and her infectious smile. She was always willing to join in the fun with her out-of-town cousins when we were children.*

JoAnne was a very caring person and with her husband, Bill, gave us Mallory and Will (two more fantastic redheads in the family).

Even now, though we are very sad at our loss of JoAnne, looking at photos of her, we catch ourselves smiling right back at her. You left too soon, cousin!

“ My heartfelt sympathies go out to the Underwood/McKnight family. Joanne was truly a one of kind lady whose love for her family, friends and students showed through her smile and kindness to all. She was one of the first people I met when I moved to Senoia in 1978 and it was like I had known her all my life in just a few minutes. “ I taught with JoAnne at Thomas Crossroads until 18 years ago. She was always happy, positive, supportive—just a beautiful person with a beautiful soul. I remember when I wanted to stop teaching full time to go to part time teaching and selling Discovery Toys, she hosted a toy party for me in her home. Her party guests were her large, close family. Such a fun time with all the McKnight ladies. They were supportive of my cause, but thankful for the excuse to all get together. I kind of felt they would've gotten together anyway that Sunday afternoon for a meal, I just happened to be invited too. And how lucky that made me!!

JoAnne and all of her family made me feel special and loved and included. Thank you McKnights and Underwoods for sharing her with me, my children, and so many others. “ My first year teaching (1976-77) JoAnne was a senior and in my Government class at ECHS. She was a delight. Always sweet, funny and smart. We became close and when I married in March 1977, she and Susan Rose served at my wedding reception. I am sure that was against all ethical rules but back then it didn't matter. When Lane and I left the church that day, JoAnne and Susan we're so proud. They had bought us a 6 pack of beer and handed it to us as we got in the car! 😭😭😭 I will never forget her beautiful smile . She has already left a legacy through her work as a educator and simply being a good person. A wonderful person indeed. Her legacy will endure. She was my first teacher, Eastside 1982.
