“ This is to Scott, Julie, Kathryn and the rest of Joe's family.....I am so sorry to hear of Joe's passing, but I know he is up in heaven, running and going for those long passes, like the one in 1962 that will go down in GA Bulldog football history. I know we are not supposed to have favorites as patients, but Joe possessed a natural charm and warmth that was irresistible to all of us at Ansley Park! I feel very blessed to have had the opportunity to work with him and know him. He brought out the best in all of us, I think. He was a Southern gentleman and an all around great guy. Love ya, Coach!

“ I would like to send along my sincere condolences to all of Joe's family and loved ones. We started and finished at Georgia as classmates, football teammates and as special friends. Joe was a great guy, a heck of a player and a person who was liked and admired by everyone who new him. I always remember him as a guy who usually had a warm grin on his face. We all will miss Joe. My thoughts and prayers are with him and his family.

*Sincerely,
Barry Wilson*

“ Joe was one of the nicest guys I have ever known. He never met a stranger and always had time to carry on a conversation. I first met Joe when he came to Albany and was coaching football at Deerfield-Windsor. A group of us had a softball team made up of local coaches and Joe was a perfect fit. To say Joe knew football was an understatement! He truly loved his family and would let you know it. He will be missed. Sincerely, Cecil Fowler.

“ Coach Burson was the best coach and mentor I ever had. Not only did he teach you how to play the game of football he guided us to be true men and respectful. I have never forgotten his pre game speech before the semi state play off when I was at Deerfield. Thanks Coach and may you rest in peace.
