“ I just learned of John’s passing. I was stationed with John at McCoy Air Force Base, Orlando, Florida from October 1967 until October 1968. I then left for Southeast Asia (Koran, Thailand), and lost track of him. My condolences to all the family. John was a fine man.

“ My thoughts and prayers are with the family in the home going of Lewis. I pray God gives comfort as only He can. I knew Lewis all down through the years. We've gone to church together, school together, etc. I counted him as a friend and appreciated him so very much. When I had the opportunity to preach at White Oak First, I always tried to be there for Sunday School to be in Lewis' Sunday School Class. It was always a blessing. I appreciated him so much and his stand for the Lord Jesus Christ. I counted him as a friend and he will be missed. It is not a "Good-bye" , but just a "so long for a while" because I know he is home with the Lord and we will see each other again one day in Heaven. He touched many lives in a very positive way in his life here on earth and he is home now with his Lord and Saviour, Jesus Christ. --Dr. Gene Minix

“ Lewis was our first Sunday School teacher after moving south in 1997. He always impressed us with his deep understanding and comprehension of the Word of God. I am sad for his departure from this world, however I take great joy in knowing that Jesus greeted him with the words "Well done, thy good and faithful servant".
