I was blessed to be Johnny & Belinda's neighbor from 2009-2012. After my retirement I lived on the extreme end of Bud Davis Road where I served as caretaker on some historical property in a remote area of western Coweta county that now sits inside the new Chattahoochee Bend State Park. Johnny & Belinda were my closest neighbors on this same road about a mile away. Without Johnny and Julie Sue their Cocker Spaniel occasional visit, I never had any visitors. In the fall of 2011, I found my self without a place to live again, Johnny & Belinda opened the door of their home to me until I could find a new home for myself. Without the support of Johnny & Belinda thru some very dark days, I doubt if I would still be here today. I will always remember Johnny with the fondest of memories. Johnny allowed me to lay to rest my best friend Lab dog Buddy on their land not to far from Julie Sues grave when Buddy crossed the Rainbow Bridge last January. Look forward to meeting you again Johnny one bright morning. Safe In the Arms Of Jesus!

My brother, Johnny, was an Angel on earth! What an Angel he will be in Heaven! We will miss him dearly, but Johnny will, always, be in our hearts and minds!
