“ Bobby, Jennifer and family, Although I did not know Jon, it seems my life has intersected with yours in various ways, most recently through my daughter Kim who sees Bobby often at the Rutledge center while serving as treasurer of the Newnan Junior Sevice League. Bobby, I'll never forget your help in resolving a dispute when Kim was in high school and I worked part-time at Kroger as a pharmacist. I'm glad to see Jennifer find happiness and a new life with her precious girls. From what I read Jon was someone I would have loved to know and interact with. My prayers for peace and comfort for all Jon has left behind and heartfelt sympathy for your loss are offered with sincerity, respect and concern.

“ I first met Jon at Ruth Hill School many years ago. He was one of those rare students that only comes along once in awhile----always eager to learn & a real joy to teach. He had a natural talent for acting, & when I was looking for someone to play the part of "Robin Hood" in the annual school production, Jon was the obvious choice. As a music teacher, I would often choose to repeat some of the operettas over the years, but I never found another "Robin Hood" because I never found another "Jon". He was a wonderful young man & I am lucky to have had a small part in his life.

“ Bobby and Geraldine, We cannot say we know how you feel, but only that we do know the ache in your hearts and feel the pain of loss. Jon was a precious boy that I remember with a sparkle in those deep brown eyes that let you know he enjoyed whatever he was doing. Reach out to those you Love and who Love you allowing them to comfort you and the family. There is no answer to "Why" now, but someday we will know. Until then, thank God for the time you had with Jon, the precious memories and his legacy. With heartfelt love, Pat
