“ I have just been made aware of Joey's passing. My condolences to all of you who loved him. He and his brother, Timmy, were good friends of mine while growing up in Key West, Florida and shared many good times and lots of mischief as we grew into the men we became. I would love to talk with any of you to find out more about Joey's life after we went our separate ways from the military recruiting station we went to in Coral Gables in December 1968. He was like a brother to me in my youth.
