“ *Richard and family,
It was sad news, indeed, to learn of Judy's passing, and her struggles during her final days in this life. We take comfort in the knowledge that her days of suffering and pain are no more. While we were never "close" friends, it was my pleasure to be antiquated with a truly kind and friendly lady. While building your home here in Florida, Judy was so appreciative of my efforts and was always quick to express her pleasure as construction progressed. Whether we met on the job or at our neighborhood Publix, Judy always had a smile and a kind word to share. Please accept my condolences in your lost.*
