

Julie Elizabeth Causey

February 11, 1974 - September 28, 2024

Julie Elizabeth Causey went to Heaven on Saturday, September 28, 2024. She was born on February 11, 1974 in Aiken, South Carolina and was the daughter of Cate and Charlie Causey of Newnan.

Julie loved her cozy home and her neighbors, who became like family to her and were a great support system for her. They did miles of Garage Sales, played endless rounds of Mexican Train, and were always there if Julie needed them.

She also loved her job at CMIT Solutions because of her wonderful boss, her co-workers there, and all the love she felt from the office animals that visited her desk for pets and treats. She also enjoyed the many clients who became good phone friends.

Julie is also survived by her brother Jason Causey (Jennifer) and nephews Christopher and Jake Causey, and her brother Matt Causey (Crystal) and nephews Cameron and Cooper Causey. She loved her family very much, including her four-legged little brother, Teddy.

We appreciate all the prayers of the Henry Kitchens class at NFUMC and the prayers, cards, and food from the Global Methodist Church here in Newnan.

Julie was our Wonder Woman. She was incredibly brave during her illness and relentlessly optimistic, always looking to the future. Her favorite place was the cottage at Callaway Gardens. We will have a family celebration for Julie and scatter her ashes there later.

“My name is Chris, and I was lucky to be one of Julie's nephews. Of course all my family made me feel welcome and loved, though growing up my obsession with fantasy and video games made it a little hard to relate to others. My aunt Julie was always ready to nurture my interests; she would listen to me ramble, I always felt heard, and she would share her own experiences with books and games. She lent me her copies of a series called Discworld that she loved, I was excited to tell her what I thought of them, and she was pleased to listen. She was beyond creative, intelligent, witty, and I looked up to her a lot. For one of my teenage birthdays, she wrote and framed an acrostic poem of my name, and at the time I thought it was sweet, but now it is something that I will treasure forever. It makes me cry to read it now, but I know it will make me happy later on. I love you, aunt Julie. God bless you.

MV

I attended Walton High School with Julie and she was one of the few girls I met there that were genuine and kind. My heart goes out to her family. Know she was loved near and far.

“ The moment I met Julie I knew she was perfect for the position we were looking to fill, and more importantly, for our CMIT office family. She was an absolute warrior with unimpeachable integrity and an unwavering desire to do the best for our clients, our company, and our staff. She was widely respected throughout the CMIT national franchise system for her systems knowledge and her passion for service delivery. She will always hold a special place in the hearts of her CMIT family, and she will be missed for a very long time. God now has someone to teach vocabulary and grammar to His angels. :)

“ Julie was a dear high school friend of my daughters Jenny and Julie Engelbert and another friend, Janet Kulpa. We have fond memories of her with this crazy foursome of young ladies. They were always laughing and cooking up some crazy schemes for the weekends. I'm so sorry to hear of her passing. She will be missed by all of us. Rest in Peace Julie 💕🙏

“ Newnan Coweta Habitat for Humanity purchased the Simply Elegant Spathiphyllum for the family of Julie Elizabeth Causey.

Newnan Coweta Habitat for Humanity - October 09, 2024 at 03:58 PM

“ *Simply Elegant Spathiphyllum was purchased for the family of Julie Elizabeth Causey.*

October 09, 2024 at 11:17 AM

“ *I am so blessed to have had the opportunity to know Julie through her partnership with The Healing Bridge Clinic. She made me feel welcome in her office, showing off her beautiful cats and even had a gift for my young son each time we went to visit her. She knew how to put a smile on everyone's face and make them feel special. Julie operated with such grace and joy that I would have never guessed she was fighting this battle. She was truly the heart behind CMIT. I will miss our phone calls and her hugs dearly. Sending all of my love to her family during this tragic time. -Kat Muncher HBC.*

“ *I am honored to be one of those "work friends" mentioned. From the first moment our company began working with CMIT, Julie's efforts on my personal behalf (I hate technology, but the function reports to me), she and I collaborated and she had a way of jollying me out of my cranky approach to how we managed our IT needs. We laughed a LOT, and accomplished even more. She was a born teacher and had a cheerful, feisty, dedicated and energetic way of representing what solutions we could find. I will miss her greatly, as a colleague but more importantly as a friend. Grace Carter, ATF Medical*

“ I met Julie through friends in Newnan. I immediately liked her and was blessed to have her friendship. She had us to the cottage on my birthday last year and came to hang out with us at the B&B my friends gave me the year before for my birthday. It was always a pleasure to see her and just visit her at her home and go out to eat and just laugh and talk. She was so much fun and her smile lit up the room. I never went to play dominoes with the girls but I know she enjoyed that! She was always so brave and optimistic and we all prayed hard for her. We love you Julie and you will be sorely missed. Rest now and be at peace

“ My sweet neighbor who became one of my dear friends. When Julie and I met we just clicked. It was so nice having a friend next door who liked most of the things that I did. Yard sales and thrift stores on Saturday was our thing. We found so many treasures. We got to know each other's taste so well we could pick out stuff for each other. I will always remember her beautiful smile that lit up a room. I will miss you Julie girl. Love you bunches.

Many good times shared with sweet Julie! She was an awesome neighbor, good friend and relentless when it came to Sunday dominoes! I sure will miss our fun digs at each other of who was going to beat who. She fought the good fight and was one of the bravest women that I have ever known. I will forever be the red train ❤️

I got to know Julie during her work with CMIT. We would email each other regularly with emojis for a smile. I was able to meet her in person once when I had to stop by their office in Newnan. She was a ray of sunshine that will be greatly missed!
