“ *I have a mother on the west coast and Karen was my east coast mom. Karen... Thank you for showing me love all these years... I can't believe you're gone from us so soon. Our LOVE for animals and my dad were bar none. Every time we went out, we had an absolute blast. Karen's laugh was so infectious, it made everything turn from funny to hilarious! Sad to see you leave us, maybe this isn't a goodbye... but we all will you later. Just wait for us.*

“Karen had the prettiest smile of anyone I ever knew. Childhood bestfriends. No matter the miles between us or the years in not seeing one another, we could always connect and it was as if no time had past. She was a beautiful person inside and out. An angel that the Lord has called home.

*Love and miss you,
