“ I first met Karen when I was around 7 years old, Bobby introduced her to us. Over the years she was someone I looked up to and admired. She is my sister. Time could pass between speaking with each other but it always felt like yesterday. I love how opinionated she was, but she always respected yours. We could talk about anything. I love her creativity, her flair, her ability to tackle any obstacle and treat it as a challenge. I learned alot from Karen in my life, and I'm thankful she was there. I will miss her but she will always be with me. Love forever.
