“ We had a large high school class so I didn't get to know Kitty until our 50th reunion. Had a long visit at a classmate's house and chatted at length. Such a knowledgeable and compassionate woman. I just found out today 4/28 while at a monthly get together of other local Concord NH classmates. Prayers for family and friends near and far. Carol Royce

“ *I'm sharing a poem for Kitty and her family.*

Come Walk Among the Stars by Winston Abbot

*For years I never knew whether twilight
was the ending of the day
or the beginning of the night.
Then, suddenly one day,
I understood that this did not matter at all.
For time is but a circle, and so
there can be no beginning and no ending.
And this is how I came to know
that birth and death are one,
and it is neither the coming
nor the going that is of consequence.
What is of consequence is the beauty that one gathers
in this interlude, called Life.*

*Much Love, Prayers and Blessings,
Garen Livingston and family*

“ Bob and Audrey Wylie loved and admired Kitty. As a former Regent, I will always remember Kitty's first visit to General Daniel Newnan Chap. NSDAR. Such enthusiasm from Kitty that day, and members saw a young woman sold out to God Home Country from that point. We are praying for God's comfort for Jamie and family.

“I'm sorry for your loss. Just wanted to share a short story about Kitty. My first visit at St. Paul's, she made it a point to come introduce herself to me and also introduced me to several other members. Her kindness and thoughtfulness meant so much to me. She continued to come speak to me every time I visited. My thoughts and prayers are with you.

“Kitty was raised by my grandfather, who married Kitty's grandmother, after his first wife passed away. I always considered her and her older sister my "cousins" and in our later years we were able to have some wonderful "family times" together as Kitty and I were both DAR members and took a trip together to search out Kitty's ancestors in Vermont. It's a great memory, among others. She will be sorely missed. I am glad for her Faith in the Lord which we share.

“ *I met Kitty through the DAR when she joined the General Daniel Newnan Chapter. Kitty could sometimes be "larger than life", and fun to be around, but she would be quick to tell you she was Dr. Kitty Kelley, and that was with an "ey". For those of us who were lucky enough to know her more intimately, we found that she was generous to a fault, kind and loving. I had the privilege of selecting Kitty as my Vice Regent at General Daniel Newnan, which enabled us to travel to functions and visit the Washington, DC area, learning more about our wonderful heritage. Kitty will be greatly missed.*
