Truly a kind soul, an amazing worker, and a friend. Don't think he ever went a day where he didn't talk about his family and kids. Just an all around tragedy I'm so sorry for your loss.

We just learned of the passing of your son. Please accept our sincere and heartfelt sympathy for your loss. Sandy and I lost our daughter Andrea 3 years ago and we know the grief you and your family must be feeling. May his soul rest in peace.

“ *The night we were hit by a tornado, I remember Lee knocking on our door to check on us as he carved a path to his house. There was no stopping him and he showed us that he was going to help as many people as possible. We spent more time together in the days after and even celebrated small victories in our lives. No amount of words could describe what Lee meant to us. His actions were loud and clear. Lee will continue to live in our hearts.*
