

Linda Joyce Woodall

March 10, 1947 - July 21, 2018

Linda Joyce Woodall went home to Heaven on July 21, 2018. She was born on March 10, 1947 in Akron, Ohio to the late Joe and Tinnie Krstich.

Linda is survived by Richard Woodall, her devoted husband of 52 years. She is also lovingly remembered by her brother Dan (Lori) Krstich; three children, Tammy (Phil) Kimbell, John (Sandy) Woodall, and Christy Woodall-Runge; her grandchildren, Emily, Abby, and Josh Kimbell, Joey and Sean Woodall, and Brooke and Kyle Runge; her great-grandchildren, Emma, Westyn, and Olivia Woodall; and her nieces, Katie Krstich and Jessica Gill.

For over 25 years, Linda drove a school bus for the Southeast Local School District in Ravenna, OH. Her favorite part of the job was investing in the lives of the children on her route. Linda was also an animal lover. Over the years, her pets included dogs, cats, birds, guinea pigs, rabbits, and her current beloved dog, Rascal. Her greatest love, though, was her family. She spent her favorite moments sitting around campfires, walking downtown Gatlinburg, and singing hymns as a faithful church member. She is cherished by her friends and family and will be greatly missed.

The family will receive friends beginning at 1:00 PM on Friday, July 27 at McKoon Funeral Home, 38 Jackson Street, in Newnan followed by a memorial service at 2:00 PM in the McKoon Funeral Home Chapel.

Condolences may be expressed to the family online at www.mckoon.com.

“ So sad to just hear about Linda's death. I was a high school classmate (East 1965) and was working on an upcoming 60-yr class reunion when we received a note back from the purchaser of her Atwater home gave us this information. Linda was always so kind and friendly in school, and she and I had talked about her driving the school bus. Perfect person for that path in her vocation. We sincerely send our condolences although many years later. Her picture is beautiful and I will let our classmates know of her passing. RIP dear classmate.

“ I was so shocked to come on to Linda's obituary while attempting to look her up on face book. I am one of her cousins, who has been out of touch for many years. We spent a lot of time together when we were teens. Her mom Tinnie and my mom Lucille Davis were first cousins and best of friends when they were young. To know Linda was to love her. I had hoped to get in touch with my little name sake, but guess we will just have to do that in heaven. I was born a few months before her and her mom and my mom decided to name both their daughters Linda. I'm Linda Lou and she was Linda Joyce! Prayers to her family and God bless you Linda Joyce! God has a sweet new angel in his heavenly Choir .

“*Tammy, John, and Christy,
I am so sorry to hear about your mom. I have too many memories to list. She always treated me like family. I loved the hugs she always had for me. No bus driver ever compared to her! I grew up thinking all bus drivers gave their riders coloring books and crayons! My love goes out to all of you. God truly gained an angel. Love, Tami (Penix) Kline*

“*I would like to send my condolences to Linda's family, she was the nicest lady i know! I had her many many years as my bus driver for the southeast school, let's just say I always couldn't wait until the bus got here. When I think of his drivers she's always in my mind. It wasn't until later on when I got to junior high that I found out John was her son we graduated the same year, he was just as nice as his mom! I just wanted to send my condolences and say I never forgot her and she was a great lady!*

“Christy, I just read about your mom in the paper. What a wonderful lady she was! During my years working at Southeast, I was able to get to know her through you as a student. She was one of the nicest people I knew! I know how much your mom loved her family and you were so fortunate to have her as a very supportive mom💕💕 Please tell your dad I am sending my condolences. I hope you are doing well as I haven't seen you for a long time. Take care! Carol Rudlosky

“What a gentle sweet spirit and wonderful family. Linda was our 3 children's bus driver for many years and I am sure God has many rewards set aside for all the love, time and energy she invested in each of those children. She is greatly loved and leaves a big whole in many hearts. Dave and Brenda

Dan and Christy, you and your families are in my thoughts and prayers. I have not met better people than the two of you and Linda was one of the most caring human beings that I've ever encountered. What a tremendous family that have always demonstrated what is right in the world. When I coached, I often rode Linda's bus and she just made you smile with her positive attitude and love for our students. Dan, you have always been such a great man and I've enjoyed our time together in the basketball arena. Your parents must have been amazing to raise such incredible people as you and Linda. Christy, I remember our time together working on the levy and your positive spirit and energy. We have never recovered fully from losing you as our PR person. My deepest condolences and may God Bless you through this difficult time.

“ *Precious Tammy, Dick, and family: Everything you write on Facebook about your mom is exactly the way I remember her even way back in the 60s and 70s when she was such a special friend to me at Akron City Hospital and beyond and you kids were all little. She DID make everything a party, even with one of our favorite activities eating homemade pie for lunch at the hospital most every day. Of course that's when we could afford to do that:) and I don't know how the hospital pulled that off. But our hips survived and we licked our chops each and every time! Much prayer for all of your family that God's comfort and cherished memories will see you through this normal time of grieving your loss. I will be doing the same right along with you! Love and prayers for all...*
