“ I just found this page. And thank you from the bottom of my heart for all your condolences. She will greatly missed everyday until we meet again in the Kingdom of Heaven. I miss her so much and it deeply saddens me that she wasn't here to see her grandchildren birth and watch them grow, or to stand by my fathers side throughout the rest of their lives they built together. But the Lord had better plans for her. He needed her with him. I dont understand why, but I maybe one day I will. I just pray she, and all the others we have lost along the winding path of life can all rejoice together in the Lords grace. I love you Mama, and RIP, I will see you again.

“ We were deeply shocked and saddened to hear of Lisa's passing. Our hearts go out to you. We cannot begin to imagine how you must be feeling, especially with precious grandbabies on the way. If there is any way that we can help at all, we hope you will not hesitate to let us know. We lost a very close and very loved brother this year at the young age of 41 and know all too well the grief of losing one so close. Gary and Debbie
