

Lisa Clair Taylor

July 10, 1961 - September 27, 2021

Lisa Clair Cash Taylor was born on July 10, 1961, to Rosalind Dean Cash and Wilma Jean Kite in Atlanta, GA. She passed away on Monday, September 27, 2021, at the young age of 60 in her home in Newnan, GA. She is survived by her husband Bobby Taylor, son and daughter-in-law Jason and Courtney Taylor, her daughter Amber Spradlin, Uncle James and Sarah Kite, and many cousins. She is preceded in death by her parents and grandparents.

Lisa aka "Mama-sita, Mama TT, Maw, and Cletus" was one of a kind. Yall know there has never been anyone like her. We all loved her for that. She was vibrant, unique, hard-headed, thoughtful, caring and the coolest mom, cousin, or friend we know. She traveled through life by the beat of her own drum and will always be the hippie flower child. Now we all know she had a good rebel streak in her and lived life to the fullest. If her eyes could talk, you knew what she was saying, and if by chance you didn't get the memo, she would be more than happy to inform you.

She was a god-fearing woman and never lost her faith. Her love for God and animals were unconditional. She had both until the very end. She was so strong and never let anyone see her pain, fear, or struggles. She always had a brave face and definitely was not a quitter. She fought so hard but God knew she was tired, and took her home. She is irreplaceable and will be forever missed. We all love you!

Memorial service will be held at McKoon Funeral Home in Newnan, GA on Saturday October 2, 2021 at 4:00 pm. The family will greet friends prior to the service at 2:00 pm. “ I miss you like crazy 😊 I have no one that I can talk to the way we did. Your service was the coolest one I've ever attended. It was true to you in perfect fashion. Your children and daughter in-law did an amazing job with everything.

“ Bobby and Lisa moved in their Strathmore home soon after we did. We shared many Saturday nights at our house laughing and talking about our kids, while they played together. Those are special times and memories about neighbors that became friends. Lisa was always the life of the evening and had us laughing so hard. She was unique and special and always genuinely Lisa.

“ *Lisa will certainly be missed around the Georgia Lottery headquarters! She always brought a smile to my face when I saw her. Lisa was a fun person to be around even at work when things seemed to be a little hectic. Always open and friendly to everyone. Loved seeing her pictures of her as a zombie for the Halloween season.*

Again, she will be missed. Rest in peace Lisa!

“ *I grew up next to Lisa and her family. I remember her laying out and catching sun and I would walk over and sit and hang out with her. Once I was older and married I needed a place to live and she was able to help me out by letting me rent the house that I used to live by. Very kind hearted and genuine person. I will always remember those days.*

“ *We just had a wonderful and uplifting office get-together (albeit virtually), and spent a long time honoring, reminiscing, and sharing about Lisa's impact on us individually and her work at the Georgia Lottery and Department of Revenue. The word "unique" came up a few times in a good way. Her uniqueness is what made her so likeable. You always knew what she was thinking which is an admirable quality, and if she disagreed with you, there was a "discussion" but then it was over and you still had a friend. We could all learn from that! She was an expert in her field and a dedicated worker.*

Her obituary is a heartfelt and precise description of her and is a magnificent tribute to her life and the impact she had on friends, coworkers, and most importantly family. Our thoughts and prayers are with her loved ones, and we know Lisa is in a better place. We will miss her immensely.

My connection with Lisa happened maybe 6 months or so after I started working for the Lottery in the COAM Division. I approached her about a work issue which somehow led to a conversation about her dogs. She shared many pictures of her babies. I especially loved hearing stories about Oliver. I know her dogs are missing her now and so am I. I pray for the peace & comfort of the family as they go through this transition. God bless you all.

Lisa was truly one of a kind, she loved her children and her precious dogs. Lisa would visit me often at the front desk we shared stories about any and everything. She had a heart as big as the moon, and she would always ask about my family, we shared a lot of information about the QVC specials and what we could get on easy pay and with that our friendship was locked in. I will miss her forever.

Lisa was truly one of a kind! From our first meeting at DOR, we always laughed. Most times, she could just look at me and I would burst out laughing. I loved the fact that she was such a free spirit and she wasn't afraid to speak her mind. You could always depend on Lisa to help you and to set you straight if need be. She will truly be missed.

It is my hope that the family will find peace in sharing warm memories of times spent together and comfort in God's promises for the future (Rev 21:3,4).
