“What a sweet, precious lady! I have fond memories of playing with Sheena and Lori Lee. She always had a beautiful smile on her face. Wanda, Penny, Lori Lee, and Sheena you will all be in my prayers. It is very difficult not to have your mom here with you. Prayers to all.

“Wanda- When I could not locate you on Facebook, I decided to try Google and your name appeared in your Mother's obituary. I'm so sorry to hear of the recent loss of your Mother. God's comfort and peace to you and your sisters during this time. My sisters and I understand because we just lost our Mother back in July 2014. They were there for us during good times as well as bad; and the thoughts of them ever being gone... well... all I can say is, what an amazing generation they were! May we make them proud! God's best to you, your sisters and Shane after the loss of your dear Mom. JoAnne & Darrell
