“ I was Mark's first wife and his obituary is missing A few people missing in it. He was also survived by his son Marcus "Aaron" Cook and his wife Christina. He also had three more grandchildren that were not listed. They are Elijah & Alexis Edmonds and Ella Cook. I'm sorry for his family, but these people should have been included in his obituary. Mark was his father as much as Breanna's. we had two beautiful kids together and some beautiful grandchildren together.
