“ *Meg was very dear to me. Although we were neighbors in Heritage Ridge, we saw more of each other at the Y than we did in the community. She was an avid swimmer and would be in the pool daily to do her laps. We were also both knitters. Many times we would work together on a pattern that was more difficult than she expected. I will miss her. I wish Larry and I could be at the service this Saturday, but we were already committed to something we can not get out of. Of course all of you are in our prayers, and I know Meg is in a wonderful place.*

“ *Meg and I worked together for the Vocational Rehabilitation agency within State government. She cared for her clients and worked very hard to see that they had the support and resources they needed to return to work. It was a pleasure working with her. She had a beautiful spirit. Please know that she touched many lives.*

“*Meg was a neighbor of mine and we would see one another as we walked our pups each day. She was a very beautiful lady, both inside and out. I will miss seeing her so very much. God be with all of you in your time of loss.*
