“ *Margarete You have been a good friend over the years. I will miss you alot you have been a good neighbor and a very nice lady. Its hard to realize that I can no longer look across the street and see you working away at your flowers or giving me prudent advise or just laughing with me.*

“ To Margaret's family: My heart goes out to each of you in the loss of Margaret. I am so sorry that I could not get off work to attend the memorial service because Margaret was a very special person to me. I will miss her dearly. She always amazed me as this strong, agile, funny, "hip", sweet lady and never ceased to amaze me. If all women could be as great as her and follow God like she did, then we would all be better off. I am so glad that she got to stay in her home and enjoy life for so many years. I took my girls to visit her not long ago because she has always meant alot to us and I am so thankful for that visit with her in her living room. I will miss her so very much; she always made me smile. Find comfort in knowing that she is in heaven now and has all the flowers imaginable to work in! Sincerely, Donna Staples

“ Although we only knew Margaret from the Silver Sneakers class at Gold's Gym, we always admired her sense of style, spunkyness, great faith and love for her children. She was a lovely lady who will be missed but not forgotten. With sincere sympathy,

“ Dear Marshall and Jackie, Please accept my sympathy for the loss of your Mother. She was the type of neighbor I was so glad to find by moving to Roscoe. She was proud of the flowers in her yard but I had to stop commenting on anything because she would attempt to give me cuttings or dig some up. She will be missed.
