“Margaret was one of the most caring and kindhearted women I have ever met. She made a lasting impression on my young son 12 years ago as his first teacher's aide in Pre-K. The patience and dedication she displayed with him as he struggled through some speech development difficulties during his first year of school was instrumental in his growth and I feel truly thankful and blessed that God put her in his life at that perfect time. My son absolutely adored her and still remembers the love and care she expressed to him today as an upcoming Senior at East Coweta High School. I remember running into Margaret around town and she would always ask how my kids were doing. She truly cared about the young lives she touched. Her smile and laughter were contagious. It is with our deepest sympathy for your loss that we send our condolences, thoughts and prayers to Margaret's family during this difficult time. May the peace of the Lord be with you!

“ Margaret was one of my first and favorite role models as a child. She and her sisters were our daycamp counselors in Grantville each summer. I looked up to them all. Later, she was a sub in my own daughter's PE class and my daughter wished she was the permanent teacher. Finally, you could always go to Margaret at Belk if you needed a hand with an outfit! Always smiling. Prayers to the family.

Carl, Ray, Jim, Alice and JoAnne, my heartfelt condolences for the loss of your wonderful whirlwind of a sister; she brought love and laughter wherever she went! She was beloved by so many because she touched people's lives with her sweet kindnesses, her compassion and her thoughtful actions.

It's hard to believe that I met Margaret 42 years ago at MGC before we went onto to our perspective universities, hers being UGA, which she loved so much.

We shared so many fun times; the craziness of 1st year dorm life, line dances in the hallway to Boz Scaggs, (which she was very good at), falling for the same cute guys.... and I hope all of you that were coached by Margaret will know that your coach was very competitive and quite the athlete herself.

I'm so happy that I got to spend some time with her a few years back when I visited Senioa. Rest in peace my friend. I'll miss you. Carol Young Rum

“ Margaret was one of my very closest friends and my heart is truly broken. We talked on the phone several times a week and got together as often as we could. Margaret was one of the most giving people I have ever known. This year on my birthday (May 4th), Margaret prepared a meal and brought it over to my house in Whitesburg. She had packed everything "except the kitchen sink" in the basket she brought, along with a nice gift for me. Margaret so loved her family - she kept me abreast of all of her brothers and sisters and their children. We said more than once how we were raised with such Loving parents/families. Margaret and I have been close friends for about 30 years - there is already a big empty feeling in my heart . I will miss her the rest of my life; however I must remember that Margaret is now getting to see her sweet Mama and Daddy again .My sincere sympathy goes out to all of the family. I thank God that Margaret was a part of my life !

“ Margaret was a dear niece and cousin of our family and we are saddened by her death.

I remember my sisters and myself playing with Margaret and her sisters as little girls. She was fearless then jumping from the high platform at the lake and she grew to be a person of strength and courage and kindness. She baked banana bread which she regularly shared with my parents and brought my dad communion when he was unable to go to mass.

We thank God for Margaret and now she can rest in his arms. Love from Aunt Rea, Rick, Ron, Rebecca, Ramona and Roberta

“ I had the pleasure knowing Margaret when she worked at the Statesboro Recreation Dept and coached our traveling allstar team. She was always wearing a smile and had a laugh that was infectious. My thoughts and prayers to her family and friends. The world will be a little less brighter but heaven has gained a beautiful angel.

“ *Our family extends deepest sympathy to the McKnight family in the loss of our sweet Margaret. We have many fond memories, but particularly our days of CC Rec basketball with Margaret as our great coach. The girls loved her so much & she was such a good coach to them. Those were such happy times. We love you all so much & are so saddened by your loss. 💖🙏 Love, Marla, Bryant & Chandler*

“ Margaret was such a beautiful human being and so caring. We were honored when she said she would be my first born's God Mother and what a wonderful one she was. I hadn't seen her in a while but often thought about her. She will truly be missed.
Love and prayers to all of the family members.

“Margaret was a special person... from her time long ago teaching at Eastside with sisters Alice and Joanne, to Carrollton Rec., to substituting at Elm Street, and working at Belk. The last time we spoke, she was telling me how much she missed Totsie, and how she would think of something she wanted to tell her Mama, and would even begin dialing her number before reality hit that her Mom was gone... What a happy reunion in Heaven for Margaret and her parents! She will be missed by all who knew and loved her. My thoughts and prayers are with you and your families, Ray, Alice, Carl, Joanne, and Jim!!!
